

Simplify Networking with Smart Appointment Scheduling

Empower your attendees to
connect at the perfect time!

Boost attendee satisfaction by enabling them to schedule personalized meetings (one-on-one or group meetings)

Appointment Scheduling Features in Virtual Events

Pre-scheduled Meetings

Calendar Integration

Time Slot Selection

Video Conferencing Option

AI-Driven Matchmaking

Get personalized meeting suggestions with relevant participants, exhibitors, or speakers based on profiles and interests.

Smart Scheduling

Automatically adjusts for time zones and conflicts, providing convenient slots for seamless global connections.

Virtual Business Cards and Profile Integration

Multi-User Group Meetings

Enables group appointments, uniting multiple organizations in a single meeting for collaborative discussions.

Appointment Queuing and Waiting List

Full schedule? The system creates a waitlist and notifies when slots open, so meetings aren't missed.

Hierarchal communication and appointments

Personalized Meeting Rooms

Real-Time Notifications and Reminders

Integrated Analytics

Tracks and reports appointment data to help analyze attendee interaction and networking success.

Breakout Rooms for Team Meetings

Enables appointments to break into private rooms for focused discussions during larger group meetings.
